Anne Renner Krzanowski [Kathy Gold](#) you've been told on Twitter where you've been nonstop threatening, stalking and slandering myself and my friends to stop, repeatedly. Law enforcement is involved now because you refuse to stop issuing death threats against innocent people and young children. So now you've been told on Facebook as well. If you won't stop on your own then we will use every legal means necessary.

actually, i asked you to email me, but that's ok, what are your questions for me?

4:39 PM

I didn't want to email you because I wasn't comfortable with you being able to trace my IP address. I think it's fine for us to communicate here.

I'd like to know if you're serious in the things you've said, the threats you've made toward Chrissie and her "accomplices", aka me. I don't have any reason to worry because I know we haven't broken any laws as you've suggested but I do want to know if you're serious. And if so, why. What triggered you to come after Chrissie the way you have, so relentlessly?

And what can we, meaning you and everyone else, do to stop these threats without having to get law enforcement further involved. I'd like to know your thoughts on that.

Well it's pretty obvious that a reasonable conversation can't be had with you. Last night you wanted to have a conversation. I was willing to open that dialogue with you now, but you're just more of the same vitriol, threats and hateful slanderous remarks. Now that the LAPD has obtained a photo of you and shared it with us, your victims as they have classified us, if you at any time you attempt to approach either Chrissie Bixler or me on the street to kill us, which you have said in your own words that you will do, we know who to tell the LAPD and the Baltimore PD who to look for on security cameras and arrest for attempted murder. By all means please do share all of this with your fake federal website and your nonexistent followers and please oh please send this to the FBI, and the LAPD - they already have a file on you so please do contact them directly. I'm sure they'll love to hear from you. We can't wait to sit in court and read your direct quotes from your blogs, your tweets, your messages. And my name isn't "Anna". It's Anne. If you're going to threaten me, at least get my name right, Kathy Gold, if that's even your real name.

Well...that explains a lot. Law enforcement had her pic as well? So I guess shes known to them ?

Anne Krzanowski @Anneinma · 20h

She's known to them now. The LAPD is very concerned for Chrissie and the Baltimore PD is concerned my safety because of her ongoing threats to kill us if she sees us in public. LAPD obtained this pic of her so we would recognize her if she stalks us.

It looks like a mugshot...thats why I wondered if she had been trouble before. I am glad you have that pic though because the woman is nuts . Hopefully you never see her in person.

From your lips to God's ears. I just tweeted this out as well. She's threatened to kill us, or have us killed, and that "no one will ever know because we'll just drop off of Twitter." It's been enough threats that we have to take it seriously at this point.

I'd like to know if you're serious in the things you've said, the threats you've made toward Chrissie and her "accomplices", aka me. I don't have any reason to worry because I know we haven't broken any laws as you've suggested but I do want to know if you're serious. And if so, why. What triggered you to come after Chrissie the way you have, so relentlessly?

And what can we, meaning you and everyone else, do to stop these threats without having to get law enforcement further involved. I'd like to know your thoughts on that.

"Always protect your wild." @ChrissieBixler @CassandraRules #zacherydouglas

don't forget your wounds and why you bled to get to where you are now. no matter what happens, you're only a dream away from a new beginning. it's okay if you're still learning how to love. countless people believe they already do and discover themselves in the trunk of their own hearts, wondering how many bodies can actually fit inside and live comfortably. know your bones and where they are best suited to grow if you want a meaningful and happy life. smile at yourself. laugh as ridiculously loud as you can. be the person that makes you forget all of the terrible things that have happened to you. what i'm trying to say is, fall in love with who you are now. once it happens, you will find that it's more difficult to give yourself away to the wrong people.

never forget, always protect your wild.

This is fun. But she finally blocked me. Idiot! Guess they don't like someone posting acruar LRH quotes about homosexuality. Sorry not sorry. #truthspeaker #nofucksgiven #fuckscientologyyo

retrofilly @1225paris oh stop it... Scn. has done you a favor - you need someone or something to blame for your troubles and inner turmoil rather than considering that it might be you. You should write the church a Thank you letter for giving you a target to blame other than yourself. Whether Scn existed

you. Was I too mean for you? (That's called sarcasm in the real world, not L.1). Scientology is a fraud. If you actually did research you'd find that LRH died from a stroke and he was on anti-psychotics. Oppsie! You'd also find that he stole tons of crap from psychologists and psychiatrists (you know, the evil ones). Clear is that you mocked up your reactive mind. OT 3 is all about Xenu and volcanos that didn't even exist when LRH said they did. and OT8 is LRH calling himself the anti christ and saying thanks for playing, this was all a joke and you have tons of body thetans. There's no blaming here. It's cold hard facts. So the only thank you letter Scientology will get from me is the Fuck you

or not - you would be a complaining, blaming victim of something and need someone to blame, attack & criticize like you are doing now on Bijou's post.

ever made a statement regarding who is right or wrong to love. I was on staff with 80 other staff members for years WITH A GAY GUY - one of my best friends - he did his job, he was awesome, everyone loved him and no one cared about who he felt sexual desire for. Why? Because there are other FAR more important things to care about, like helping others, making people feel better, improving ourselves and the world we are in, understanding the universe and world peace.

Was he covertly hostile? Sometimes yes, sometimes no - AND SO WHAT?? We ALL feel every emotion there is to feel, don't we? SO WHAT? Scn. is about understanding yourself, others and the universe better and becoming

deviation in Dynamic II [i.e. sexuality] such as homosexuality, lesbianism, sexual sadism, etc., and all down the catalog of Ellis and Krafft-Ebing) is actually quite ill physically...he is very far from culpable for his condition, but he is also far from normal and extremely dangerous to society...[1] L.Ron Hubbard

1225paris @retrofilly but please, tell me more about how Scientology welcomes everyone (including people who are gay) with open arms! I can post more. I'd shut up if I were you. @shebean whatever already blocked me. I'm a declared SP by the way and also a truth speaker. I'm about to make you and the cult you call a religion look really Scientology is based on LRH policy and he specifically states where someone who is gay falls on the tone scale. You were on staff, good for you, I was raised at Saint Hill in the cadet and sea org and there was no one around who was gay. It was openly talked about how gays were 1.1 and there were many instances where any that made it online had to have auditing to get it audited out of them. Unlike you, I know LRH policy and I can post it for you if you'd like. Don't tell me what Scientology is or isn't about. I can show you policies where LRH said it was ok to hit someone if you were upstat. The Khan Khan policy gives unlimited powers to someone who is upstat, etc. You literally just made my point by making a point to say that he may have been covertly hostile. So please, STFU with that

The sexual pervert (and by this term Dianetics, to be brief, includes any and all forms of deviation in Dynamic II [i.e. sexuality] such as homosexuality, lesbianism, sexual sadism, etc., and all down the catalog of Ellis and Krafft-Ebing) is actually quite ill physically..

1225paris @1225paris actually, this is not true and the reason people have an issue with it is because her "faith" lies about it. I was born into Scientology and grew up in it. Being gay/bi is considered to be 1.1 on the tone scale which is basically saying that they are covertly hostile. I can show you the tone scale and proof of this if you need it. Great for her for putting it out there that she's BI. Whatever makes you happy BUT her "faith" does not feel the same way. Now before you tell me to be more productive with my time, Scientology destroyed my family. My father and brother haven't spoken to me in 18 years because I chose a different path. So any "faith/religion" that condones the destruction of families and

shesabean @cabannagal So interesting that you would choose Bijou's faith to criticize when practically every religious group at one point in time has scrutinized and vilified the lgbtq community. In some cases, have gone so far as to use brutality against lgbtq members in the name of religion. The fact is there are members of the lgbtq community who are Scientologists, there are gay people who are catholic, Muslim, Jewish, Christian, etc. In all those faiths there are people who are loving and accepting who represent their chosen faith well, and people who are hateful and bigoted much like how you're acting now towards Bijou.

"Always protect your wild." @ChrissieBixler @CassandraRules #zacherydouglas

don't forget your wounds and why you bled to get to where you are now. no matter what happens, you're only a dream away from a new beginning. it's okay if you're still learning how to love. countless people believe they already do and discover themselves in the trunk of their own hearts, wondering how many bodies can actually fit inside and live comfortably. know your bones and where they are best suited to grow if you want a meaningful and happy life. smile at yourself. laugh as ridiculously loud as you can. be the person that makes you forget all of the terrible things that have happened to you. what i'm trying to say is, fall in love with who you are now. once it happens, you will find that it's more difficult to give yourself away to the wrong people.

~~never forget, always protect your wild.~~

Kathy Gold @mskathygold · Sep 15

Contact ACLU and/or Loretta Lynch of the DOJ and give them copies and keep copies for yourself so you can include that in your books, blog etc etc. Our 1st amendment is under attack by people like this Chrissie Carnell Bixler & her accomplices, it's possible they are terrorists

I'll have to handle it in Federal Court cause now these people have cut my voice, my 1st amendment, my free speech, our constitution. Back on my scilon facebook when I first put that up, guys from the middle east area were approaching me

am being followed by real terrorists or not nor if Chrissie Carnell Bixler's accomplices are terrorist, I don't know who they really are. This anne chick made a false abuse report, twitter is automated and she had to have some help on the backend with algorithm to make it happen

IT'S POSSIBLE CHRISSIE CARNELL BIXLER WAS IN MY HOME IN 1998 (//KATHYGOLD.WEEBLY.COM/MONEY/ITS-POSSIBLE-CHRISSIE-CARNELL- BIXLER-WAS-IN-MY-HOME-IN-1998)

9/28/2018

While I was held hostage and unconscious, she was one of many Scientologists that came in and out of my home during that time.

And it's also possible that she's on that video tape/tapes where I was naked and unconscious.

Did Chrissie Carnell Bixler sexually abuse me while I was unconscious in 1998?

She was online at CC Int in 1998 doing the PTS/SP course like me when she was a Scientologist.

Did I miss withholds on Chrissie Carnell Bixler when I told her my story on twitter and then she started attacking me. It's possible.

She'll be included in both Federal Lawsuits as she committed felonies on me using the twitter platform and it's possible she was in my home while I was held hostage and unconscious and that's what she's hiding, that's what I missed hence the attacks and attempts to silence me on twitter, she was afraid it would get picked up by the news and expose her.

Who leaked it to these religious haters? The LAPD is my guess, ok, I get it, the LAPD cops that threatened me with murder in 1999 for trying to get the police report don't want anybody to know how they go into the psych ER and rape all the hospital's patients that are in comas from their drug overdoses.

Here's what I look like now, off my drivers license picture, this is what abuse looks like, after getting hate crimes run on me, over and over and over and over and over again and the FBI/DOJ/LAPD refused to help me, committed crimes on me and more hate crimes. That's all Los Angeles is, Hate Crimes.

These pigs assume I'll kill myself from my appearance and nobody will ever know their crimes, no assholes, more damages for me or cha ching, I'm now done with menopause at the age of 51 because of the crimes of 1998, the drugs they injected me with. This is what it looks like when hate crimes are committed on somebody going thru menopause, completely destroyed. You are all responsible, accountable and liable.

Now the LAPD is aiding and abetting religious haters like this Chrissie Carnell Bixler and her accomplices. Ok. It's their funeral, litterly, by the time I'm done assholes, you'll be in Federal Prison along with these religious haters.

I got your computations years ago, about the video tape/tapes how you were gonna smear me with it, online, me, naked, unconscious to destroy me, all cause I'm a scientologist and a woman, a law abiding taxpayer, with no criminal history. This is what they do to law abiding taxpayers but religious haters, they empower to commit more hate crimes.

I'm gonna destroy these pigs by putting them in prison, Federal Prison.

IF CHRISSIE OR ANY OF HER ACCOMPLICES COME NEAR ME OFFLINE (//KATHYGOLD.WEEBLY.COM/MONEY/IF-CHRISSIE-OR-ANY-OF-HER- ACCOMPLICES-COME-NEAR-ME-OFFLINE)

9/7/2018

I will kill them to defend myself, their intent is to murder me and murder is against the law, premeditating murder is also against the law.

Then I'll call law enforcement to come pick up their dead bodies and I'll use their dead bodies as evidence in my cases, more money for me or cha ching.

And for me to kill people defending myself is not against the law so when their families try to sue for wrongful death, it will be kicked out and they will be counter sued for my time and damages.

Again, the countess krak character, the deadly assassin, assassin's get paid to kill.

This is also not against the law but I'm sure Chrissie and her accomplices will take it out of context in an attempt to do the above scene, so this is gonna be fun to kill these religious haters and make money off their dead bodies and their hate, 3 times per count. Oh no, their children LMAO they never put their children first, notice these women never once put their children and their children's safety first, ahead of themselves. Women that do, don't go online attacking and committing crimes on victims. They think about the repercussions it will have on their children. These women could give a fuck, it's all about them, them and them.

They are SP's with no power, just the power to scare people online, hoping by lies and manipulation, somebody offline will murder the people they are terrorizing, so it gives the illusion they have power.

Most likely what's gonna happen is, they will be hunted down from the internet by real evil people and kidnapped, raped, tortured and murdered but nobody will know, they'll disappear, one by one and I don't think local police will give a shit, they'll ignore the case, it won't make the press, nobody will ever know, they'll have just stopped tweeting or deleted their social media and blew.

Since they committed these crimes on me, and tweeted the FBI, the FBI runs the Federal Prisons, there is hardcore criminals that monitor the FBI's twitter, regularly and now Chrissie and her accomplices have come on their radar. If they have been doing this to other victims, which I suspect, I'm not their first victim online, so I suspect, other victims they did this too prior to me, they also tweeted the FBI and they would have pulled in those criminals then.

I'm sure they all figure these women will just blame this religion and Danny Masterson and then everybody will buy it hook line and sinker cause Danny got fired from Netflix cause of an accusation and Newsweek printed her story etc etc. A nice cover for their crimes. Now instead of Lisa's death, there will be a string of them. Act 2 of the Lisa Mcpherson case online war between this church and the anti scilon community.

In the end, Chrissie and her accomplices will have pulled it in.

If you are a victim of these women and you didn't go to court to enforce laws including putting them in prison to stop the harassment, to stop the abuse etc etc cause there was no attorneys, you don't know how to type up a lawsuit, are very PTSDed out caused by them and uppers and downers ie

POWERED BY  WordPress just made your PTSDs worse etc etc and they went off line to terrorize and victimize you but

1.1's Are

the police did nothing and they physically harmed you or your family or your friends etc etc don't be afraid to kill them to defend yourself, to defend your family, to defend your friends and use their dead bodies as evidence in your case against them.

You can take their families assets to pay for your damages. These women have families and their families have a duty, responsibility to intervene but instead neglected it, failed to act, so that makes them liable.

Self defense is not a crime, it's legal.

Updated 9/7/2018 7:17pm

The whole world is watching Chrissie and her accomplices cause she made mainstream media.

I'm sure, Chrissie and her accomplices think, you're too slow, ha ha, we can delete our tweets, lie and get away with it, ha ha. Nobody will ever know how we abused you, committed hate crimes on you and got away with it cause we just lie.

The entire planet, worldwide, globally is watching. I wonder how it will turn out for Chrissie and her accomplices?

The final outcome of all of this, which probably won't make the news, Chrissie and her accomplices will be going to prison in Federal Prison and the FBI/DOJ/LAPD will have to pay out for the damages. The FBI/DOJ/LAPD will turn around and confiscate everybody's assets, that's my guess or not cause they don't care about the loss, not their problem, the taxpayers are their slaves and they have an

I was in the parking lot, and this guy was yelling at his wife cause the FBI did a similiar thing to him, stopped him, prevented him from reporting crimes and his wife was indifferent, making him psychotic. I think he was persian.

Anyway, you can't rely on gov to help you, you have to be cops and go to court to enforce the laws.

These women, Chrissie and her accomplices, they think serving time in a Federal Prison is a walk in the park, maybe they watch this show and think it's fun. They are out to lunch and have broken, thousands if not tens of thousands of laws.

These types of people are nothing nobodies, all they can do is manipulate people by lying and then when that doesn't work go bat ape shit crazy and try to murder you. They go psychotic easily so if OSA runs ops on them, OSA will try to use these women to murder me so I never make it to court, dead people can't file lawsuits and they believe they're in the clear.

So based on these factors, it's easy to predict, they will stalk me, get my home address off letters on FedCourt.info and then come to my home and try to murder me. They are gonna be manipulated by OSA, I have no idea how but whatever it is, they'll obey cause they're are religious haters, racist haters, psychos etc etc. And nobody is gonna believe them.

It's cause they're criminals and have to be right, their serv facs etc etc, they're all Harley Quinns.

Oh before I forget, everybody that needs to know already got my comm cause I got computations that if I die, people are already making plans to evacuate. So based on those computations, everybody that needs to know has received my comm and will evacuate and sue on my behalf in International Court for min \$75 billion. Everybody else they will leave behind to be executed by this country's enemies.

The FBI knows what Chrissie and her accomplices did, they were there watching, they want as many people to abuse me so they can control me in court while they get paid overtime, how do you think McCabe at \$60k a year is able to support his family, mortgage etc etc in Washington D.C.? Overtime, basically they're all ripping off the gov. There was a 150 FBI agents investigating Hillary Clinton, they

all got paid overtime in addition to their salaries. But the two terrorist husband and wife team in San Bernardino, the FBI interviewed them twice prior to the shooting and still managed to not prevent that yet the guy that supplied their weapons ran into the psych ward to talk to his psych only his psych wasn't there, it was a weekend so he waited, I wonder who/whom he talked to over the phone and inside while waiting?

The Federal Gov is well aware of the criminals that go in there, the landscape has changed from 1998 to 2008 and it's now 2018 and they are misclassified from felonies to misdemeanors, the Fed Gov thinks they can control all the criminals with mental health labels and drugs ok LMAO. It's a vacay for them on the taxpayers dime.

If Chrissie and her accomplices end up there, my best advice girls, is don't go on about being raped, cause they will rape you, it's UniSex, hardcore felons go thru there, the phones are not monitored like in prison and there is no cameras in the rooms, your best bet is zip it, take their drugs, keep your distance and then get your full psych files that they will conceal from you and make bank off their abuse. If you start bargaining cause you think you have some power, it won't turn out good for any of you, so if you survive, go to court, civil if you can find an attorney, if not, then do it yourself.

Btw, I'm not worried about going into the looney bin, they're not equiped to handle PTSDs on this level nor are they set up financially to be paid by the Fed Gov to handle it. I need intensive therapy using holistic psychiatry/psychology for people with psychic ability, is there any in a psych ward? Now if they want to sue the Fed Gov and use my case for their lawsuit, the .00000001% out of the population, they can, my psych files are going up on fedcourt.info, so they too can take my psych files and use it to sue the Federal Gov to include that for psych wards for \$500k - \$1 million a month or however much it would cost, it's a guess really (psych ward rates are very expensive for this kind of therapy, it's much cheaper for me to use CIA psychs, most of my damages is going back to the Fed Gov) I just don't know if they'll win, it's only .00000001% out of the population that need this kind of therapy and they might risk losing their gravy train. Do they want to risk that on a false report/reports?

As for Miscavige's Gold my guess it's in his panic room called a wine cellar, so when he goes nuts, he goes down there and feels safe looking at his money and then gets out a bottle of scotch to celebrate, I'm safe! Yay! That's my guess, it's a 50/50 really, I have never been to Int Management.

Btw the 75 billion, his 20 billion for the gold is included in that figure.

Per the computations I got, I'm in California, that's where the crimes occurred so International Court will use the laws of California like Federal Court, it's 3 times the damages per count and it's 9 counts, if my damages are \$1 billion 1st case, that's \$27 billion, if my damages are \$1 billion for the 2nd case, that's \$27 billion, total \$54 billion plus Miscavige's \$20 billion and \$1 billion for his real estate worldwide, that comes out to a total of \$75 billion and that's not including their fees for saving the world so nukes don't go off, their intention is to save the planet from nuclear holocaust that's why they would go to International Court to prevent my case, past life memories, computations, emotions etc etc from triggering it, they have 6 months to 1 year to get that going after I'm dead, to start that cycle, after that, my cases in present time come into play or Universal Justice.

Now, after this country is taken over, that's the end of this church etc etc. And everybody else will make deals to stay alive as well as including their families. They are not responsible nor accountable for these criminals in the fed gov, nor their actions, these criminals in the fed gov are. And these same criminals think they can run into the US Treasury and steal what's in there, that's where they are all headed, they think it's better if they steal that money then this country's enemies, only they won't get very far, they'll be executed and the shit they stole will be taken from them.

I'll be dead, what do I care LMAO I'm not responsible nor accountable for their actions, their crimes etc etc, they are.

Oh Anne, you really think I'll get some hot military guy? Ok, you're nuts, I'm not interested in anybody, I don't give a fuck about the human race, if I get to Federal Court etc etc I'm gonna go do Behavior Modification, now that's a game, they can rehab my hating the human race issues, real mental health, not this Nazi Psychiatry shit.

Oh and if people are wondering, why even bother doing my due diligence, I like the PAIN, the restim, the FBI/DOJ/LAPD is forcing me, making me inflow the hate while they stalk me for their overtime, they've been doing it for 4 years now, they just can't figure out why I'm not dead yet, why I haven't committed suicide or somebody has murdered me, this is their Nazi SOP, they do this to everybody, most people commit suicide and problem solved for them, another criminal case they don't have to deal with while collecting overtime er I mean ripping off the gov, so this is my guarantee for max pain across their boards diagonal if I die, I'm gonna outflow it and I'm gonna feel great cause at the end of the day, it's all about me and not the human race, mankind.

I need my guarantee that nukes will go off, and this is it, outflow=inflow and inflow=outflow or LMAO. I hate the human race and by making sure nukes go off, that's my payback to everybody that did this to me. Your public is no longer innocent, here's your future generations:

For the military guys, some in Congress and Senate thought me and a military guy would be a good match cause he would have PTSDs too.

I don't know, maybe this life I want to take the time for me time, next life the only time I'll have alone is in the cockpit of my ship or in the bathroom, cause next life I'll have 10-12 kids (<http://kathygold.weebly.com/love/next-life-ill-be-a-mom-of-10-12-children-or-ha-ha-i-still-win>), I'll be doubling up LMAO. I'm not interested in having sex with anybody ever again this life, I have no desire to have sex and haven't since I became celibate and that's like over 15 years now.

All the myths about women not being able to have children is false data, lies, nobody kills themselves over this.

So I want to be left alone on the 2nd Dynamic, I don't need a man, but men need me, so they'll have to kiss my ass and give me everything I want so I'll change my mind and marry one of them. Let the games begin.

For everybody else, men play differently then women, they do murder the competition and I highly suggest you men not murder the competition, actually murder ok, cause that's against the law and you risk putting your souls in jeopardy and leaving this prison planet and then next life, somebody else will be with me.

Here's my quals, he's gotta be a cop, an implanter, not a military criminal and he's not murdering the competition.

Hint, clue for criminals LMAO they're the predator characters not the maze runner characters, that's you people LMAO. The military implant stations were different then the civilian implant stations, the civilian implant stations had reform, but not the military implant stations, two different networks. The hunters became the hunted. And that's past lives as in down the wholetrack.

There is no reform, that means, military criminals, there is no win for you, ever, whether you survive or not. You are the property of the US Federation, you agreed to these terms when you came on board to work for the US Federation Military. Have a nice day :)

MS13, if you're on the line, don't kill this woman ok, they are mine to hunt down legally via Federal Court.

I don't know if she's mexican or not or if she's even in Texas, if possible get pictures, audio, video, set her up and send me the evidence via the FBI, use this religious hater to make your deals with the FBI, your get out of jail free card by putting her in Federal Prison, her life for yours.

If she comes near me offline, it's to murder me so I'll kill her to defend myself, she's obviously stalking me and is obsessed with me, which is really weird ok, I mean, look at me, what a nut. Anyway, no big deal and then I'll post her dead body online, I'm sure the Sheriffs here will leak it to the press, they need funding etc etc.
